LOOKING AHEAD: FY 2026–2027

01

SKILLS-BASED OUTCOMES

Responsive programming with a stronger focus on job-linked results and career development supports.

02

DIGITAL READINESS

Further integrating Artificial Intelligence (AI) and computer literacy programming to meet demands and equip the next generation of Red River Métis.

03

ISSET AGREEMENT RENEWAL

MET will participate in the renewal of the Indigenous Skills and Employment Training Agreement.

04

PARTNERSHIP ALIGNMENT

Work alongside industry, MMF Departments and Affiliates, Regions, Locals, and Red River Métis-owned businesses to match labour market needs.

— 2026 CRRMA CONTEST WINNERS

CELEBRATING RED RIVER MÉTIS ACHIEVEMENTS

RICKY BARKER

Northwest Region · Broadcasting Diploma, Western Academy
Broadcasting College

“It was great to have a support in my college life, knowing my tuition was looked after and that I was able to have a small allowance to help me out...”

ANIKA VAAGS

Southeast Region · Carpentry, RRC Polytech

“As a woman wanting to go into the trades, there was some fear of how well I would be able to work in this type of environment. However, with less financial stress and good people all around me I found a strength and motivation to really pursue what I love.”

ADAM GABRIELLE

Southwest Region · Law Enforcement, Assiniboine Community College

“MET provided me with the financial support I needed to attend Assiniboine Community College and pursue a career in law enforcement. Their support gave me the confidence to leave a stable career and invest in my education.”
