- Approved New Citizens Living Outside of Manitoba: 824
- Total Approved Citizens: 64,050
- Total Approved Harvesters: 40,933

The Hub Database and Technology Developments

- Continued investing in technology to help process applications more efficiently and reduce wait times
- Completed the first phase of a new **Red River Métis Citizen Portal**
 - Future portal features will allow Citizens to:
 - Update contact information online
 - Request card renewals
 - Access information on MMF programs and services
- Expanded collaboration with MMF departments to improve service delivery and data sharing
- Focused on creating faster, more convenient, and citizen-centered services for Red River Métis Citizens

MMF Local Elections and National Election

- Support MMF Local Elections and preparations for the 2026 MMF National Election
- Developed electronic voting check-in system using Métis Citizenship card barcodes
- Ensure that only registered Red River Métis Citizens can vote in MMF elections
- Support the Chief Electoral Office to prepare and maintain accurate voter lists

2026 MMF
ANNUAL REPORT

**RECOGNIZING
OUR PLACE
IN HISTORY**

Mobile Citizenship Office and Local Support

- Mobile Citizenship Office visited communities across Manitoba, providing Citizenship and Harvester card services
- Available for MMF Locals to offer Citizenship services at community meetings, events, and gatherings
- Local Citizenship contact lists to help Local Executives share news, events, and important updates with Citizens
- Enhanced support for Local transfers, Citizenship lists, and Local Capacity grant administration

MMF Governance Committee

- Play a key role in supporting the work of the Governance Committee on Citizenship and constitutional matters
- Supported consultations with Local Executives across all seven MMF Regions to gather feedback on strengthening Local By-Laws
- Ensured Citizenship rights and eligibility processes remain aligned with the MMF Constitution

Online Harvester Survey and Citizenship Application

- Expanded online services, making it easier for Citizens and Harvesters to access programs and submit forms from anywhere
- Streamlined Citizenship applications, receiving an average of **100 online applications per month**
- Introduced online CTF sticker and big game tag requests, reducing the need to visit Regional Offices
- Achieved a record **8,502 completed Harvester Surveys in 2025**, improving participation and data collection
- Used Harvester information to support reporting and help protect Red River Métis harvesting rights for future generations

BEFORE YOU BEGIN, PLEASE ANSWER THE FOLLOWING QUESTIONS:
