

2026 MMF ANNUAL REPORT

RECOGNIZING OUR PLACE IN HISTORY

SPONSORSHIP & TRADESHOW PROGRAM

Annual Greetings - The Honourable Anita R. Neville, P.C., O.M. Lieutenant Governor of Manitoba

As King Charles III's representative in Manitoba, I am pleased to extend vice-regal greetings to all the delegates participating in the 2026 Manitoba Métis Federation (MMF) Annual General Assembly.

With deep pride in Métis heritage and culture, the MMF continues to play an important role in the life of our province. Through its leadership, advocacy, and programs, the Federation is helping to strengthen communities, support families, create opportunities, and improve the well-being of Métis citizens across Manitoba.

The impact of the MMF can be seen not only in the services it provides, but also in its efforts to celebrate and share the rich history, traditions, and contributions of the Métis people. In doing so, it is helping to build greater understanding, appreciation, and respect for the vital role the Métis Nation has played, and continues to play, in Manitoba and Canada.

As you gather for your annual general assembly to reflect on the past year and set a course for the future, I wish you a productive and inspiring gathering, and continued success in the important work you do on behalf of Manitoba's Métis community.

A handwritten signature in dark ink, reading "Anita R. Neville".

Annual Greetings - The Honourable Wab Kinew, Premier of Manitoba

As Premier of Manitoba, I am happy to provide a message of welcome to the Manitoba Métis Federation for your 2026 Annual General Assembly.

The nation-to-nation relationship our government has with the Manitoba Métis Federation is deeply valuable. It is in this spirit of collaboration that we work to advance reconciliation and improve the lives of people across our great province.

One of the first things we did after forming government was pass legislation officially recognizing Louis Riel as Manitoba's first Premier. This legislation was the result of your advocacy and hard work, and we were proud to join you in getting it done.

Since then, we have continued to strengthen our relationship through initiatives such as, historic joint cabinet meetings between Manitoba's provincial cabinet and the MMF cabinet, the memorandum of understanding to guide the return of Ste. Madeline back to the Red River Métis, and our collaborative partnership in supporting people impacted by of last year's wildfire crisis and this year's flooding.

This year, the Annual General Assembly continues a proud tradition of Red River Métis citizens coming together to discuss the future of your Nation and take part in collective, democratic decision-making. This tradition of gathering, listening and working together remains an important part of strong governance, and we look forward to seeing the fruits of your discussions.

I wish you meaningful connection and productive collaboration throughout your Annual General Assembly.

Miigwech, Merci, Thank you.

A handwritten signature in dark ink, reading "Wab Kinew".

Annual Greetings - Scott Gillingham, Mayor, City of Winnipeg

On behalf of the City of Winnipeg, I would like to extend greetings to President David Chartrand, the Manitoba Métis Federation Cabinet, and all delegates gathered for the 2026 Annual General Assembly.

The Assembly is an important tradition of Métis governance — bringing people together to share ideas, make decisions, and help shape the future of the MMF.

As we look to Winnipeg's future, I am proud of the work we are doing together to build a city that is ready for growth and full of opportunity.

The scale and range of the MMF's investment in our city is truly remarkable. MMF has become one of the most important partners in the revitalization of our downtown, helping to bring new life, new investment, and new opportunities to the heart of Winnipeg.

But no single government, organization, or developer can revitalize downtown alone. It takes people who are prepared to invest, take risks, and work together toward a shared vision for the future.

The partnership between the City of Winnipeg, President Chartrand, and the MMF is a strong one and the City is fully committed to helping the MMF bring its ambitious visions for our city to life. President Chartrand, thank you for your leadership, your confidence in Winnipeg, and your commitment to building a stronger downtown and a stronger city.

Wishing everyone a successful and productive Assembly.

Sincerely,

A handwritten signature in blue ink, likely of Scott Gillingham.

Annual Greetings - Assistant Commissioner Scott McMurchy, Commanding Officer, Manitoba RCMP

On behalf of the Manitoba RCMP, I am pleased to extend my greetings to everyone attending the 2026 Annual General Assembly of the Manitoba Métis Federation.

The past year has been another successful one for the MMF, marked by continued growth, strong leadership, and meaningful progress on behalf of all Red River Métis Citizens. The longstanding partnership between the MMF and the Manitoba RCMP continues to demonstrate the value of collaboration, open dialogue, and a shared commitment to safer and stronger communities.

The Manitoba RCMP values its relationship with the MMF and remains committed to working together in the spirit of respect and reconciliation.

I wish you a productive and successful Assembly and continued success in the year ahead.

Annual Greetings - Leah Gazan, Member of Parliament for Winnipeg Centre

As the New Democratic Party of Canada's critic for Indigenous Affairs, it is my great honour to extend warm greetings to everyone at the Manitoba Métis Federation 2026 Annual General Assembly on behalf of the NDP and our leader, Avi Lewis. I am the proud Member of Parliament for Winnipeg Centre, located in the heart of the Red River Métis homeland, and home to many Red River Métis today.

This year marks a historic achievement for the Red River Métis, with Bill C-21, the Red River Métis Self-Government Recognition and Implementation Treaty, being tabled for the first time in the House of Commons. I want to congratulate MMF leadership and all Red River Métis Citizens for their advocacy, resilience and leadership on this journey towards the restoration of self-determination.

For generations, Indigenous peoples in this country have fought for recognition, dignity and the ability to make decisions about our own communities, our own laws and our own futures. Self-government treaties like Bill C-21 offer the opportunity to mark a turning point where Canada recognizes the inherent right of Indigenous peoples to govern themselves - a right which should never have been denied in the first place. The NDP is proud to affirm the Red River Métis people's right to self-determination and self-government through the Manitoba Métis Federation. Let us continue to work together to ensure that Canada moves towards reconciliation by ensuring that the right to self-determination and self-government are not only recognized - but upheld.

The MMF Annual General Assembly serves as an important opportunity to come together to engage in meaningful discussions and collective decision-making. To everyone who has worked to make this Assembly possible, thank you for your dedication and work. I wish you all a productive and meaningful Annual General Assembly.

Deep respect, 

Annual Greetings - Obby Khan, Official Opposition and PC Leader

On behalf of the Progressive Conservative Party of Manitoba and our PC Caucus, it is my honour to bring greetings to President David Chartrand, the National Government of the Red River Métis, and every delegate gathered for the Manitoba Métis Federation's Annual General Assembly.

I want to begin by congratulating President Chartrand on his continued leadership of the Manitoba Métis Federation. He has guided the Red River Métis Nation with remarkable consistency and dedication, and the confidence placed in him again this year by the Nation's citizens speaks to the strength of that leadership.

Across Manitoba, the Red River Métis Nation continues to grow and thrive — from the small businesses and enterprises being built by Métis entrepreneurs, to the cultural gatherings that keep the language, music, and traditions of the Red River Métis alive for the next generation.

That vibrancy is something all Manitobans can take pride in, and it is a credit to the communities and families who carry it forward every day.

It was Riel's insistence that Manitoba be built through negotiation, not imposition, that secured protections for Métis land, language, faith, and culture at the very founding of this province.

That same conviction, that the Red River Métis Nation has the right to govern its own affairs, continues to guide its leaders today, generation after generation.

Thank you for the opportunity to bring greetings to the Manitoba Métis Federation and the National Government of the Red River Métis. On behalf of the PC Caucus, I wish you a successful Assembly, and I look forward to continuing to work together in the years ahead.

Annual Greetings - Willard Reaves, Leader, Manitoba Liberal Party

Dear President Chartrand, delegates, Elders, youth, and members of the Manitoba Métis Federation,

On behalf of the Manitoba Liberal Party, I am pleased to extend my warmest greetings to everyone gathered for the Manitoba Métis Federation Annual General Meeting.

This AGM is an important opportunity to celebrate the strength, resilience, and achievements of the Red River Métis Nation, while also discussing the opportunities and challenges that lie ahead. The Manitoba Métis Federation has played a vital role in advancing the rights, culture, and aspirations of Métis citizens and continues to be a strong voice for self-government, reconciliation, and economic development.

As Manitobans, we all benefit from the rich history, culture, and leadership of the Métis people. Your contributions have helped shape our province and continue to strengthen our communities today.

I commend the Federation's leadership, staff, volunteers, and members for their dedication and commitment to building a brighter future for current and future generations. The discussions and decisions made during this AGM will help guide that important work.

Please accept my best wishes for a successful and productive meeting, meaningful dialogue, and continued progress for the Red River Métis Nation.

Thank you for the opportunity to share these greetings.

Annual Greetings - Honourable Renée Cable, Minister of Advanced Education and Training

On behalf of the Manitoba government, I am pleased to extend greetings to all those attending the Manitoba Métis Federation's 2026 Annual General Assembly.

This annual gathering is an important opportunity for Red River Métis citizens from across the homeland to come together, celebrate achievements, share perspectives, and participate in discussions that help shape the future of our communities. The Assembly's long-standing tradition of engagement and democratic participation reflects the strength and vitality of the Red River Métis.

As Minister of Advanced Education and Training, I recognize the important role that education, skills development, and lifelong learning play in creating opportunities for individuals, families, and communities. Learners, educators, Knowledge Keepers, and community leaders all contribute to building a brighter future for the next generation. I am encouraged by the contributions that Métis learners, educators, researchers, and workers make across Manitoba. Through their efforts, they help strengthen our post-secondary system, enrich our communities, and ensure that knowledge, culture, and traditions continue to be shared with future generations.

I would like to acknowledge the leadership of the Manitoba Métis Federation, as well as the many Elders, Veterans, volunteers, and citizens whose dedication and participation continue to support the growth and success of the Red River Métis community.

I wish everyone a productive and successful Annual General Assembly and all the best in the year ahead.

Sincerely,

Honourable Renée Cable
Minister of Advanced Education and Training

Annual Greetings - Billie Cross, MLA, Seine River

I am pleased to extend warm greetings to the Manitoba Métis Federation, its leadership, delegates, members and families attending the 2026 Annual General Assembly. As a proud Red River Métis woman and the MLA for Seine River, this gathering holds special meaning for me. I have the honour of representing St. Norbert, a community at the heart of Red River Métis history.

More than 150 years ago, Louis Riel and Métis leaders gathered and organized in this area to defend the rights, lands and future of their people. When surveyors arrived, Riel led a group of Métis who stood on the survey chain and stopped the survey, making it clear that decisions about their land and their future would not be made without them. That movement grew into a provisional government and a List of Rights that helped shape the negotiations leading to Manitoba's entry into Confederation. Riel's vision was of a Manitoba where different peoples could live together, where rights and cultures were respected, and where everyone had a voice. That vision still speaks to us today. It is reflected in the idea of One Manitoba — a province where we honour where we come from, respect one another, and build our future together. Today, five Métis MLAs serve in the government caucus, and I am proud to be one of them. We carry Riel's spirit with us and continue working toward the Manitoba he dreamed of.

Under the strong leadership of President David Chartrand and his Cabinet, the Manitoba Métis Federation continues to advance the rights, recognition and aspirations of Red River Métis citizens. Their leadership has strengthened Métis government and ensured that the voice of the Red River Métis Nation remains strong for this generation and those that follow.

Your Annual General Assembly is an important expression of that strength, bringing citizens together to make decisions, set priorities and help shape the future of the Red River Métis Nation. It is an honour to welcome you to the 2026 Annual General Assembly, and I wish everyone a meaningful and productive gathering.

Marsi, thank you, and meegwetch.

Annual Greetings - Honourable Nahanni Fontaine, Minister of Families

Aniin,

I am honoured to extend warm greetings to the Manitoba Métis Federation on your 2026 Annual General Assembly. This gathering is a powerful reflection of the enduring strength of Red River Métis governance and the important role that citizens play in shaping the future of their Nation.

As you gather this year, the theme "Recognizing Our Place in History" invites reflection on the remarkable contributions of the Red River Métis to Manitoba and Canada. The Red River Métis have played a foundational role in shaping the province we call home, and have built a legacy of self-government, resilience, and nation-building.

Recognizing our place in history also means looking to the future. Across Canada, Indigenous peoples are advancing their inherent right to self-determination and strengthening governance over matters that directly affect their communities and families. This includes important work to exercise jurisdiction over the care and well-being of Indigenous children and families, ensuring that decisions affecting children are grounded in the cultures, values, and priorities of Indigenous Nations.

Every child in Manitoba should have the supports to thrive. Our government is working closely with Indigenous governments to ensure children in care maintain connection to their families, their culture and their language. Together, we can build a future in Manitoba where we don't have to come back and apologize to the next generation of children.

It is important to me to continuously reaffirm the commitment the province has made to recognize and respect the inherent right of Indigenous governments to care for their children and families.

I wish you a successful assembly and hope you enjoy your time together these next few days spending time with so many others who are dedicated to upholding, preserving, and celebrating Red River Métis culture and building strong communities.

Annual Greetings - Honourable Ian Bushie, Minister of Natural Resources and Indigenous Futures

On behalf of the Department of Natural Resources and Indigenous Futures, it is my pleasure to extend warm greetings to the Manitoba Metis Federation and its Citizens as you gather for your 2026 Annual General Assembly. The Annual General Assembly is an important gathering that reflects the longstanding governance traditions of the Red River Metis. It provides an opportunity for Citizens to come together, reflect on progress, discuss shared priorities, and help shape a strong future for generations to come.

The Red River Metis played a foundational role in Manitoba's history and continue to make lasting contributions to the social, cultural, environmental, and economic strength of our province. Your leadership, resilience, and commitment to future generations are evident through this Assembly and through the programs, services, advocacy, and community-building work carried out by the Manitoba Metis Federation and its Citizens throughout the year.

Our government remains committed to advancing reconciliation through respectful relationships and meaningful partnerships with Indigenous Peoples, communities, governments, and organizations. We recognize the important role Indigenous partners play in Manitoba and will continue working with the Manitoba Metis Federation to advance opportunities founded on collaboration, Indigenous leadership, and shared benefit. By working together, we can build on the contributions of Indigenous Peoples to support strong communities and shared prosperity for Red River Metis Citizens and all Manitobans.

I would like to acknowledge the Manitoba Metis Federation's leadership, staff, Elders, youth, and all those whose dedication and service support Red River Metis Citizens throughout the year. Your work helps ensure that Red River Metis voices, priorities, and perspectives remain strong and continue to guide meaningful progress.

Please accept my best wishes for a successful and productive 2026 Annual General Assembly. I look forward to our continued collaboration in the years ahead.

Annual Greetings - Honourable Adrien Sala, Minister of Finance

It is my pleasure to extend greetings to everyone attending the Manitoba Métis Federation 2026 Annual General Assembly.

The Annual General Assembly is an important opportunity for Red River Métis citizens to come together, celebrate achievements, discuss priorities, and help shape the future of the Nation.

This gathering carries forward a proud tradition of collective decision-making and engagement that has deep roots in Red River Métis history and governance.

As Minister of Finance, I recognize the important contributions that Red River Métis citizens, communities, businesses, and organizations make to Manitoba's economic, social, and cultural life. Manitoba is the Homeland of the Red River Métis, and the strength, resilience, and leadership of the Métis Nation continue to help shape our province's future.

Strong partnerships and meaningful collaboration are essential to Manitoba's future success. When we work together with mutual respect and a shared commitment to improving the lives of citizens and communities, we create opportunities that benefit not only the Red River Métis Nation, but all Manitobans.

I thank President Chartrand, the Manitoba Métis Federation leadership, staff, and volunteers for their continued dedication and service to Red River Métis citizens. I wish you a productive and successful Annual General Assembly.

HELP US FIGHT AGAINST EARLY TOOTH DECAY

All participants will receive a gift card for each study!

PARTICIPATE IN RESEARCH STUDIES

- ☒ Do you have a child **under 6 years old**?
- ☒ Do they identify as **First Nations** or **Métis**?
- ☒ Are you interested in taking part in research and getting a **GIFT CARD** for each study you participate in?

What's involved?

- Free dental check-up
- Dental saliva and plaque samples collected
- Parents will be asked to fill out a survey

Current Research is looking at:

1. Mouth bacteria and fungi
2. Mouth bacteria and tooth strength
3. Community oral health education/promotion

VENTURES

GOVERNANCE SUPPORT

MINUTE-TAKING & TRAINING FOR REGIONS & LOCALS

Good decisions deserve a record that **lasts**.

Regions and Locals carry real governance responsibility, often with a volunteer secretary and no time to spare. Minutes that are taken well, adopted and submitted on time show your members and the MMF that your Local is governing well. Raincoast Ventures has recorded meetings for Métis and First Nations governments since 1996, and we already take the minutes for the MMF National Assembly, Cabinet and many departmental committees and events. **We can take the minutes for you, or train your people to take them well.**

Ask about our Region & Local support packages.

RAINCOASTVENTURES.COM · 604-318-9223

RAE@RAINCOASTVENTURES.COM

How we support Regions and Locals

Local meeting & Annual Regional Meeting minutes

Clear, structured minutes for your quarterly Local meetings and your Annual Regional Meeting, in person or online — ready to adopt, and ready to send to your Regional and Head Offices as the Local By-Law asks.

Decision registers

Every motion, resolution and follow-up tracked in one place, so nothing gets lost between meetings.

Training for your secretaries & administrative staff

Practical, hands-on minute-taking workshops built for Métis governance, delivered on site or online, for whoever keeps your Local's record.

General Assembly & event reports

Summary reports for General Assemblies, gatherings, consultations and multi-day events, so what was said becomes something you can act on.
